Subject: Tiger Medical protective goggles and frames

This information message is sent to draw the attention of Equipment Co-ordinators to information which may be relevant to the safety of equipment and facilities in NHS Boards and Local Authorities. Please find the information below & in the attached Product Recall PR300.

SUMMARY

Tiger Medical protective goggles and frames

On Saturday 9 May 2020 a communication was issued from the Director of National Procurement. It advised of an alert received from the UK Department of Health and Social Care. The alert stated that disposable eyewear products provided via the UK Pandemic Stock Pile should not be used in a COVID-19 setting and should be quarantined. A subsequent update advised that these products should be disposed of.

This Information Message has been issued to ensure equipment co-ordinators are aware of these communications which are confirmed in Product Recall PR300 (attached).

If you have any queries in relation to this product recall, please contact your local stores/procurement team at your location who will contact the NDC on your behalf.

ACTIONS

As the Equipment Co-ordinator for your organisation, we recommend that you assess whether or not to forward this information to managers and staff within your area of responsibility who might benefit from being aware of it.
