Dear [REDACTED]

Freedom of Information Reference: FOI-2022-000119 National Specialist Services Committee minutes September 2021

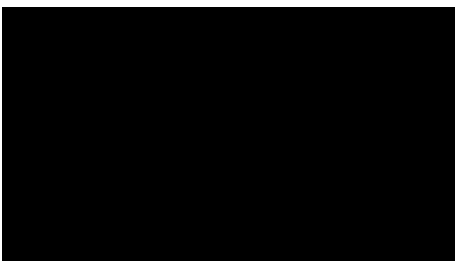

I refer to your freedom of information request that we received on 25 April 2022 requesting the following information.

Further to todays brief meeting, could we see the minute from the National Specialist Services Committee when the review recommendations were discussed? Clearly we are keen to understand their reasoning for not supporting an extension to the scope of the risk sharing scheme.

I would like to apologise as this should have been acknowledged within 3 days of your original request. Please accept this letter as acknowledgement.

We will endeavour to respond to your request as soon as possible and within the FOISA 20-day timescales.

Yours sincerely
