

# Get Involved

If you have any **great ideas**, would like to volunteer to be a **TACO champion** or would like to be involved in **developing resources** for the **Transfusion Associated Circulatory Overload Patient Safety Campaign**

Please contact us via email: [nss.snbtstransfusionteam@nhs.scot](mailto:nss.snbtstransfusionteam@nhs.scot)

In collaboration with you, we would like to:

- Create **TACO Lead** and **Champions** in all NHS Scotland health boards
- **Empower** blood banks BMS to challenge inappropriate request volumes
- **Empower** clinical staff to challenge inappropriate request volumes
- **Promote** anaemia management through education strategies
- Standardise information recorded in **electronic patient records** post-transfusion
- Explore the potential of ‘live’ **audit** of TACO cases
- Patient shared decision making and empowerment  
**‘Do I need this transfusion?’**

**Think About Choosing One**
