Freedom of Information Reference: FOI-2023-000448 – Reinforced Autoclaved Aerated Concrete (RAAC).

I refer to your freedom of information request that we received on 01 December 2023. I can advise you that we have now completed the search of our records and can provide you with the following information:

1. Please confirm how many of the 66 remaining NHS buildings in Scotland which were suspected to have RAAC have gone through the on-site survey stage phase of the Reinforced Autoclaved Aerated Concrete Survey Programme

As of 28th November 2023, all of the 66 remaining properties have gone through the on-site survey stage phase of the Reinforced Autoclaved Aerated Concrete Survey (RAAC) Programme.

2. Please provide a full list of the RAG rated panels that were found during the survey programme.

Please find attached Appendix 1 – RAG Ratings for Identified RAAC. This highlights the RAG ratings for the panels identified which contain RAAC for the 66 properties. This information is in addition to the Appendix 1 previously provided in [FOI-2023-000373](#). Please note that RAG ratings are provided for individual panels only, and do not represent the building as a whole.

I trust you will find the information of assistance and if you require any further information, please do not hesitate to contact me.

If you are unhappy with any aspect of how we have dealt with your request, you can make representations to us asking us to review the handling of your request. Please write to the Head of Information and Cyber Security

or at the email address nss.foi@nhs.scot within 40 working days of the date of this correspondence.

If after a review you are still unhappy, you also have the right to apply to the Scottish Information Commissioner, who can be contacted at Kinburn Castle, St Andrews, Fife, KY16 9DS, or via their [online application form](#).

If you have any queries about this letter, please contact me at the above address.

Yours sincerely
