Notes

- 1. The person raising the requisition (customer) must -
- a. If handwritten, complete the form in black biro.
- b. Write their name, GPhC number, address of premises and contractor code
- c. Provide the required information about the controlled drugs to be requisitioned (including strength + quantity).
- d. Indicate the purpose for which the drug(s) is/are required.
- e. Sign their name in black biro.
- 2. The person/organisation supplying the controlled drugs (supplier) should -
- a. Provide their PSD contractor code, name of business, and address.
- b. Ensure that the customer has completed their relevant sections.
- 3. Pharmacists should follow MHRA, Home Office and ethical guidance when undertaking wholesale transactions.

The supplier **must** then submit all CD requisitions to PSD Scanning Centre, NHS National Services Scotland, Gyle Square, 1 South Gyle Crescent, Edinburgh, EH12 9EB, using form CD34. Should you have any further enquiries, please email the PSD Scanning Centre at NSS.P-CFSScanningServices@nhs.scot

Data Protection Statement

The requisition will be passed to the NHS National Services Scotland for analysis. The information may also be used within the NHS to prevent incorrect usage of controlled drugs, and may be disclosed to organisations outside the NHS that have a lawful entitlement to receive it. This requisition will be scanned and confidentially destroyed 3 years after the month in which it was received by NHS National Services Scotland, unless it has been disclosed to another organisation.
