Dear [REDACTED]

Freedom of Information Reference: FOI-2024-000288 – Service Agreements and Annual Reports NHS Greater Glasgow & Clyde.

I refer to your freedom of information request that we received on 05 August 2024. We have now completed the search of our records and can provide you with the following information:

Under Section 33(1)(b) of Freedom of Information Scotland Act 2002 (FOISA), an organisation does not require to provide information if its disclosure under this Act would, or would be likely to, prejudice substantially the commercial interests of any person (including, without prejudice to that generality, a Scottish public authority) and as such any funding/cost information is being withheld as it is commercially sensitive.

Under Section 38(1)(b) of FOISA, NHS National Services Scotland (NSS) has redacted details of patients that fall below 5 to protect their identity in line with the Caldicott Principles.

Some of the documentation being released includes personal data of third parties, specifically, names of individuals which have not been released into the public domain on any previous FOIs or literature regarding this topic. Where this is the case, these names and contact details have been redacted in line with exception Section 38 (1)(b) of FOISA – Personal information.

Please find attached appendices as per your Freedom of Information request:
