Freedom of Information Reference: FOI-2024-000338 – SAN2404 Downwash Incidents.

I refer to your freedom of information request that we received on 27th September 2024.

I've come across SAN2404, and it states several examples of downwash incidents. Is it possible to get a copy of the reports? We will need to check if these have been recorded as per the Mandatory Occurrence Reporting scheme, as all of those would in my view pass the bar for reporting to the CAA. This should have been completed by the air operators.

We have now completed the search of our records and can provide you with the following information:

Please find attached Appendix 1 – SAN2404 Downwash Incidents, for a copy of the report you have requested.

I trust you will find the information of assistance and if you require any further information, please do not hesitate to contact me.

If you are unhappy with any aspect of how we have dealt with your request, you can make representations to us asking us to review the handling of your request. Please write to the Associate Director Governance and Board Services (Board Secretary) at the email address nss.foi@nhs.scot within 40 working days of the date of this correspondence.

If after a review you are still unhappy, you also have the right to apply to the Scottish Information Commissioner, who can be contacted at Kinburn Castle, St Andrews, Fife, KY16 9DS, or via their [online application form](#).

If you have any queries about this letter, please contact me at the above address.

Yours sincerely,

Chair Keith Redpath
Chief Executive Mary Morgan
