

Type of Prescribers

- Nurse prescribers request Primary Care Nurse Prescribers: Registration or Change of Circumstances
<https://publichealthscotland.scot/media/26705/phs-p-1-nurse-form.docx>

Only when the GP Practice has been enabled with the GP IT re-provisioning functionality (Vision DLM830). Until then, pharmacist and other non-medical prescribers continue to use the GP IT workaround currently in place.

- Pharmacist prescribers request Community Pharmacist Prescribers: Registration or Change of Circumstances Form
<https://publichealthscotland.scot/media/26704/phs-p-3-community-pharmacist-practitioner-form.doc>
- Non-Medical (AHP) prescribers request Non-Medical Prescribers (Allied Health Professional Prescribers) Registration or Change of Circumstances
<https://publichealthscotland.scot/media/26706/phs-nmp-1-non-medical-prescriber-form.docx>
