Our Ref CNORIS Cover

Dear Chief Executive,

CNORIS – Confirmation of Cover 2025/26

In my capacity as CNORIS Scheme Director, I can confirm that with effect from 1 April 2025, the bodies listed in the Schedule attached are admitted Members of the Clinical Negligence and Other Risks Indemnity Scheme (CNORIS), which has been created by authority of the Scottish Ministers.

CNORIS is subject to scheme rules and governed by the National Health Service (Clinical Negligence and Other Risks Indemnity Scheme) (Scotland) Amendment Regulations 2015.

There will be occasions when CNORIS Members are required to confirm the extent of cover available to them under the Scheme. This Schedule sets out the cover for the listed Members and can be provided to external organisations as Members see fit. This guidance is effective from 1 April 2025 until 31 March 2026 inclusive.

Yours sincerely

Statement of Cover

General:

CNORIS provides indemnity to Member organisations in relation to Employer's Liability, Public / Product Liability and Professional Indemnity type risks (inter alia). The level of cover provided is at least £5m Public Liability, £10m Employers Liability, and £1m Professional Indemnity. The Scheme will provide "Indemnity to Principal" where required. CNORIS also provides cover in relation to Clinical Negligence.

Work Experience and Student Placements:

CNORIS provides indemnity to Member organisations in relation to their legal liability associated with work experience recruits of whatever age acting on behalf of the Member organisations. CNORIS will similarly provide indemnity to member organisations in relation to their legal liability associated with students working with the Member organisation on placement from an educational establishment.

Volunteers:

CNORIS provides indemnity in relation to legal liability of Member organisations associated with volunteers of whatever age acting directly on behalf of the Member organisation. For the avoidance of doubt, no cover is provided in relation to voluntary organisations.
