**Freedom of Information Reference: FOI-2025-000121 – Tender information.**

I refer to your freedom of information request that we received on 17 April 2025.

I am doing a research project investigating call-off contracts in the public sector. I have identified a potential call-off contract awarded by NHS National Services Scotland, but I can't find details of the framework agreement it was awarded from.

I have attached an Excel file that contains the information I am looking at. The last two columns ("Title of framework used" and "Further framework info") is where I am missing information. Please could you provide the name of the specific framework agreement or DPS used here. If there is any further info which you think would help me locate the framework agreement (e.g., a link to the framework's Contract Finder or FTS listing, the framework provider, or a widely used reference number such as CCS's RM codes), please use the final column for this.

Please note that I have identified this contract as a possible call-off contract, so there is a chance it is not a call-off. It could be, for instance, procured directly (without being called off from a framework agreement), or could be itself a notice of the establishment of a framework agreement. Therefore, I would kindly ask you to specify in this instance what kind of procurement was used in the "Title of framework used" column.

I have provided the title, description, the publication date, and procedure type used to award the potential call-off, as well as a URL link to the call-off in question and a unique reference ID for the potential call-off. Please let me know if there is anything else you need to complete the request.

We have now completed the search of our records and can provide you with the following information:

Please find attached Appendix 1 - Updated spreadsheet, which is the Excel file you provided with the last 2 columns updated with the requested information.

The type of the framework used was a national collaborative framework. This was open to all NHS Scotland Health Boards. The framework reference is 'NP80324 Recyclates and General Waste Management' and call off is via mini tender. The award notice for this framework can be found via the following link - [Buyer Notice Status - Public Contracts Scotland](#).

I trust you will find the information of assistance and if you require any further information, please do not hesitate to contact me.

If you are unhappy with any aspect of how we have dealt with your request, you can make representations to us asking us to review the handling of your request. Please write to the Associate
