Dear [REDACTED]

Freedom of Information Reference: FOI-2025-3218 – SHTM 03-01 document.

I refer to your freedom of information request that we received on 11 December 2025 requesting the following information.

In FOI-2024-000035, dated 19 February 2024, it was stated that a new version of SHTM 03-01 was to be published in 2024.

In FOI-2024-000414, dated 30 December 2024, it was stated that “exact date to be confirmed”.

In FOI-2025-000228, dated 07 August 2025, it was stated that “we still aim to have this available before the end of 2025. The exact date to be confirmed.”

With this in mind, can you please provide me with recorded information to answer the following:

- 1. If published, the updated version of the SHTM 03-01.**
☐ **A working URL to the document is sufficient.**
- 2. If not yet published, an outline of when the document will be published.**
- 3. The date(s) of any meeting(s) relating to the updating of SHTM 03-01 (between 01 February 2024 and 10 December 2025).**
- 4. Any minutes (if recorded) relating to point 3 above (same date range).**

We have now completed the search of our records and can provide you with the following information:

- 1. If published, the updated version of the SHTM 03-01.**
A working URL to the document is sufficient.

Under Section 17 of the Freedom of Information Scotland Act, 2002 (FOISA) an organisation does not have to provide that information if it does not hold it. NHS National Services Scotland (NSS) have not published an updated version and as such we do not have a working URL we can provide.

- 2. If not yet published, an outline of when the document will be published.**

Work on SHTM 03-01 documentation continues, unfortunately due to resourcing challenges completion of this work is taking longer than originally planned. This remains a priority piece of work for NHS Scotland Assure (part of NSS) and we are currently in the process of re-programming this for a publication in 2026.
