Dear [REDACTED],

Please be advised that we are issuing the enclosed standstill letter(s) in connection with the procurement process for NP38626 Compounded Aseptic Medicines.

The purpose of the standstill letter is to formally notify all relevant parties of the outcome of the evaluation process and to commence the mandatory standstill period, as required under the Public Contracts Regulations 2015.

During this period, no contract award will be concluded, and current arrangements will remain unchanged to allow suppliers the opportunity to review the outcome and raise any queries.

We kindly request that you:

1. Review the contents of the standstill letter carefully and provide acknowledgement.

2. Note the commencement and expiry dates of the standstill period; and
3. Submit any clarification requests in writing within the specified timeframe.

Kindly address all responses or queries to me directly at [REDACTED]@nhs.scot ensuring that correspondence is sent prior to the expiry of the standstill period.

Furthermore, we would like to arrange an implementation meeting to discuss the impact of the award outcome and would ask that you confirm your availability on the **week commencing 20th April** for a teams meeting.

Thank you for your attention to this matter and for your participation in the procurement process.

Kind Regards
