Dear [REDACTED],

This email is to advise that it is NSS intention to extend the standstill period related to this procurement to expire on Friday 19th December.

During this period, no contract award will be concluded, and current arrangements will remain unchanged.

Thanks again

Subject: NP38625 Compounded Aseptic Medicines - Standstill Notification

Dear [REDACTED],

We are writing to inform you of an important update regarding the NP38625 Compounded Aseptic Medicines procurement process.

Following a review, we have identified an issue within the standstill communication for one of the lots under this framework. To ensure full compliance with the Public Contracts (Scotland) Regulations 2015 and maintain transparency and fairness, we are reissuing standstill letters for all lots and suppliers, however the award outcome has not changed. Please note that the standstill period will restart from the date of the revised letter.

The purpose of the standstill letter is to formally notify all relevant parties of the outcome of the evaluation process and to commence the mandatory standstill period, as required under the Public Contracts Regulations 2015.

During this period, no contract award will be concluded, and current arrangements will remain unchanged to allow suppliers the opportunity to review the outcome and raise any queries.

We kindly request that you:

1. Review the contents of the standstill letter carefully and provide acknowledgement.
2. Note the commencement and expiry dates of the standstill period; and
3. Submit any clarification requests in writing within the specified timeframe.

Kindly address all responses or queries to me directly at [REDACTED]@nhs.scot ensuring that correspondence is sent prior to the expiry of the standstill period.

Furthermore, we would like to re-arrange an implementation meeting to discuss the impact of the award outcome and would ask that you confirm your availability on the 17th/18th December for a team's meeting.

Thank you for your attention to this matter and for your participation in the procurement process.

Kind Regards

[Redacted]
