Hi [REDACTED],

Thank you for the acknowledgement.

[REDACTED]

[REDACTED]

Are you available for a meeting on the 10th December from 9-9:45am? If this is suitable, I'll get a meeting invite sent over.

Thanks again

Subject: RE: NP38625 Compounded Aseptic Medicines - Standstill Notification

Good morning, [REDACTED],

I can confirm we have received and read the attached documentation and understand the guidelines regarding the standstill period.

We do have a couple of points to raise.

[REDACTED]

[REDACTED]

More importantly having read the feedback on the scoring matrix I am saddened at what we submitted as it does not reflect the processes we have in place regarding capacity, contingency, and communication. I would therefore like to submit an updated response regarding all three aspects.

I understand this will have no bearing on the outcome, which we are happy with. But I would like for National Services Scotland to have a true understanding of what we offer and how, including our new additional facility which is due to be operational at the end of Q1 2026.

Regarding the teams meeting we are available on either date and will work to a time that is suitable for you.

It will also give me an opportunity to introduce our new Key Account manager who will be looking after Scotland.

Look forward to hearing from you.

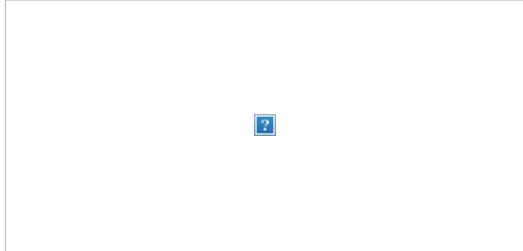

Kind Regards

[REDACTED]

Dear ██████████

Please be advised that we are issuing the enclosed standstill letter(s) in connection with the procurement process for NP38625 Compounded Aseptic Medicines.

The purpose of the standstill letter is to formally notify all relevant parties of the outcome of the evaluation process and to commence the mandatory standstill period, as required under the Public Contracts Regulations 2015.

During this period, no contract award will be concluded, and current arrangements will remain unchanged to allow suppliers the opportunity to review the outcome and raise any queries.

We kindly request that you:

1. Review the contents of the standstill letter carefully and provide acknowledgement.
2. Note the commencement and expiry dates of the standstill period; and
3. Submit any clarification requests in writing within the specified timeframe.

Kindly address all responses or queries to me directly at ██████████@nhs.scot ensuring that correspondence is sent prior to the expiry of the standstill period.

Furthermore, we would like to arrange an implementation meeting to discuss the impact of the award outcome and would ask that you confirm your availability on the **9th or 10th of December** for a teams meeting.

Thank you for your attention to this matter and for your participation in the procurement process.

Kind Regards

██████████
