Dear [REDACTED],

**Freedom of Information Reference FOI-2026-3369**

I refer to your Freedom of Information (Scotland) Act 2002 (FOISA) request that we received on 13 May 2026 requesting the following information:

**Please can I have a copy of all Key Stage Assurance Reviews (KSAR) reports completed by NHS Scotland Assure between the date of the request below (2.11.23) and the date of this request.**

We have now completed the search of our records and can provide you with the following information:

Please find attached copies of all KSAR reports completed by NHSScotland Assure since 02 November 2023. It should be noted that all observations recorded in the reports are indicative of a snapshot in time relative to when the review was undertaken and may not represent the status of the projects, or any subsequent actions taken by health boards to address observations raised.

The health boards, subject to these KSARs acted in a collaborative and transparent manner throughout the process. NHS Scotland Assure value their cooperation and shared commitment to delivering high-quality healthcare environments for the benefit of patients and the wider community.

Under Section 15 (Duty to provide advice and assistance) of FOISA we have attached Appendix 1 summarising the KSARs undertaken in the period noted.

From 1 April 2026, NSS and NHS Education for Scotland (NES) joined to form PSD Scotland, enabling transformation in health, social care, and the wider public sector. More information regarding PSD Scotland can be found at the following URL:
