Dear [REDACTED]

Freedom of Information Reference FOI-2026-3392

I refer to your Freedom of Information (Scotland) Act 2002 (FOISA) request that we received on 09 June 2026 requesting the following information:

I am doing a research project investigating call-off contracts in the public sector. I have identified four potential call-off contracts awarded by NHS National Services Scotland, but I can't find details of the framework agreements they were awarded from, or which lots were used.

I have attached an Excel file that contains the information I am looking at. The last two columns ("Title of framework used" and "Further framework info") is where I am missing information. Please could you provide the name of the specific framework agreement or DPS/Dynamic Market used here, as well as the lot used if the framework was divided into lots. If there is any further info which you think would help me locate the framework agreements (e.g., a link to the framework's Contract Finder or FTS listing, the framework provider, or a widely-used reference number such as CCS's RM codes), please use the final column for this. Please use the second column for the relevant lot information.

Please note that I have identified these contracts as possible call-off contracts, so some of them might not be. Some could be, for instance, procured directly (without being called off from a framework agreement), or could be themselves notices of the establishment of a framework agreement. Therefore, I would kindly ask you to specify in these incidences what kind of procurement was used in the "Title of framework used" column.

I have provided the title, description, the publication date, and procedure type used to award each potential call-off, as well as a URL link to the call-off in question and a unique reference ID for each potential call-off. Please let me know if there is anything else you need to complete the request.

Chair Mr Keith Redpath
Chief Executive Professor Karen Reid

We have now completed the search of our records and can provide you with the following information:

Please find attached Appendix 1 – Contract Details, which provides the completed spreadsheet in response to your request. The spreadsheet includes the requested details relating to each contract, including the relevant framework agreement (or confirmation where an alternative procurement route was used), the applicable lot where relevant, and any additional information to assist in identifying the framework (such as provider details or reference identifiers).

From 1 April 2026, NSS and NHS Education for Scotland (NES) joined to form PSD Scotland, enabling transformation in health, social care, and the wider public sector. More information regarding PSD Scotland can be found at the following URL:
