Dear [REDACTED]

Freedom of Information Reference FOI-2026-3522

I refer to your Freedom of Information (Scotland) Act 2002 (FOISA) request that we received on 9 October 2026 requesting the following information:

Under the Freedom of Information (Scotland) Act 2002, please provide the following about national contracts for orthopaedic and trauma implants and consumables, including the contracts for orthopaedic arthroscopy equipment, implants and consumables, and for spinal and scoliosis implants and consumables, and any national contract for joint replacement implants.

- 1. For each contract: the suppliers appointed, the contract start and end dates, the extension options in the contract and which have been exercised.**
- 2. The value excluding VAT of orders placed under each contract by each NHS Board, for each financial year, by supplier and by product category (for example hip, knee, extremities, trauma fixation, spine, arthroscopy).**
- 3. The planned date for the next procurement of each of the above.**

Please provide the information for financial years 2023/24, 2024/25 and 2025/26. Where a product was bought through NHS National Procurement or another distributor, please give the manufacturer separately from the supplier.

We have now completed the search of our records and can provide you with the following information:

Please find attached "2026-3522 Appendix 1 - Orthopaedic and trauma implants and consumables" detailing the requested information. Please note this information has been collated based on NHSScotland Health Board purchase orders which identifies the spend to framework level but does not provide any further breakdown.
